

Internet Release Form for Scouts

Dear Parents,

Troop 44 maintains a web site that provides information about its programs/activities and recognizes scouts and their achievements. We would like to use photographs that contain images of your son on our web site. Our web site is hosted by IX Web Hosting. To view their Privacy policy, please go to <http://www.ixwebhosting.com/index.php/v2/pages.privacy>

Our website has two sections. One section is publicly accessible and the other section (Members Only) is only accessible to scouts of Troop 44 and their families, through shared SSL and password protection. Please read the attached internet policy to understand the type of information that will be included on our website.

We are asking that you give permission to use the listed information in the internet policy by signing and returning this form. Please sign below and return this slip to ASM Benny Veenhof.
